## DETAILED ACTION

### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Caleb Pollack on 8/20/2007.

Regarding claim 25, line 1, change "computer-storage medium" to ---**computer readable medium**---

### *Allowable Subject Matter*

2. Claims 1, 3, 4, 6-14, 16-28, and 30-36 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The present inventions describes a method and apparatus for multi-algorithm detection comprising a multi-algorithm detector having two or more sub-detectors to detect a signal according to a detection algorithm selected from two or more detection algorithm, and a controller to choose a mode of operation for the selection of the detection algorithm from at least a power mode of operation and a performance mode of operation, wherein the selection of the detection algorithm is based on a predetermined selection criterion associated with a chosen mode of operation such that if the

performance mode of operation is chosen, said controller is to activate at least two of said sub-detector substantially simultaneously. The closest prior art, Fulghum et al. (US 6,580,930 B1) discloses a similar system but fail to disclose when the performance mode of operation is chosen, said controller is to activate at least two of said sub-detectors substantially simultaneously. This distinct features is added to the independent claims 1, 14, 22, 25 and 28, therefore rendering claims 1, 3, 4, 6-14, 16-28, and 30-36 allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
